Protect yourself and your family. Get a flu shot.

The flu is more serious than the common cold and is easily transmitted to others. The vaccine is for every one 6 months of age and older. It can help protect you from getting sick and keep you from spreading the flu to others. For more information, call us toll free at 1-800-KP-FLU (1-800-573-5811) or visit kp.org/flu.
