

PREPARE FOR YOUR PROCEDURE

Prepare for your Procedure from Emmi®

Emmi® is an interactive program that uses a friendly voice and helpful graphics to guide you through each step of your procedure. Emmi® is available to you at no charge.

Prepare for Your Procedure from Emmi® covers:

- Your Body
- Your Condition
- Before Your Procedure
- Your Procedure
- After Your Procedure
- Risks and Benefits
- Alternatives

I would like you to watch the following program(s):

- Anesthesia for an Adult or Your Child
- Angiogram with possible Angioplasty
- Aortic Valve Replacement
- Atrial Fibrillation
- Cardiac Catheter Ablation (SVT)
- Cardiac Catheter Ablation (VT)
- Cardiac Pacemaker
- Carotid Endarterectomy
- Coronary Bypass Surgery
- Defibrillator - Cardiac Resynchronization
- Defibrillator - Implantable Cardioverter
- Mitral Valve Repair or Replacement
- Organ Transplant Overview
- Taking Warfarin - Anticoagulation

Access Emmi® today by going to your doctor's home page at kp.org/mydoctor. You can also view Emmi® in the Health Education Center, 1190 Veterans Blvd, Cypress Building, 1st Floor, next to the Cypress Pharmacy.
