

Welcome

Welcome to Kaiser Permanente On-the-Job (KPOJ) at Kaiser Permanente in Sacramento, CA.

We provide a full range of occupational health services, from medical treatment and on-site therapy for work related injury/illness to employment related services such as preplacement physicals, drug screenings, and medical surveillance examinations.

Our hours of operation are M-F 8:30am - 5:00pm.

The doctor you see today will most likely become your primary treating physician (PTP) for your current work-related injury/illness. It is important that you attend all appointments and fully participate in your prescribed treatment plan. Your occupational health doctor and the KPOJ staff are committed to helping you achieve maximum recovery from your work-related injury or illness.

Information will be given to you on how to contact your doctor and/or their specific nurse/medical assistant should you have any questions regarding your treatment or condition of care.

If you need to change or cancel an appointment, please call 916-973-5499.

Please contact your employer regarding any workers' compensation carrier information, including phone and fax numbers that may be required to expedite your claim. If you have questions about compensation for any required time away from your job, please speak to the appropriate individual at your place of employment and/or your workers' compensation carrier.

We hope you had an excellent experience in our Occupational Health Department. We are committed to providing quality care and services to you.

If you have any suggestions or questions, please let us know.

Division of workers' compensation (DWC)

Information & Assistance Unit

The DWC Information and Assistance Unit provides information and assistance to employees, employers, labor unions, insurance carriers, doctors, attorneys, and other interested parties concerning rights, benefits, and obligations under California's workers' compensation laws. The unit plays a major role in reducing litigation before the Workers' Compensation Appeals Board (WCAB) and often the first DWC contact for injured workers.
