

*Curriculum Vitae*

**Regan Fulton, M.D./Ph.D.**

59 Marin Avenue  
Sausalito, CA 94965  
Email: Regan.Fulton@kp.org  
415-331-1239

**Birthplace and Date**

Los Angeles, California  
12/13/1964

**Education**

A.B. Biology, with Honors

University of Chicago  
1983-1987

M.D./Ph.D., Combined Program

University of Minnesota  
1988-1996

Ph.D., Pathobiology

University of Minnesota  
1994

**Professional Training**

Anatomic Pathology Residency

Stanford University  
1996-1998

Surgical Pathology Fellowship

Stanford University  
1998-1999

Anatomic Pathology Chief Resident

Stanford University  
1998-1999

Immunodiagnosis Fellowship

Stanford University  
1999-2000

Surgical Pathology Junior Faculty

Stanford University  
2000-2001

## **Medical License and Certification**

Licensed in State of California	#A065436
Diplomate, American Board of Pathology	AP, 10/01
National Provider Identification Number	1730267337

## **Professional Experience**

Laboratory Director, KFH San Francisco	6/07-Present
---	--------------

Chief of Pathology Kaiser Permanente Medical Center, San Francisco	4/07-Present
---	--------------

Assistant Chief of Quality Department Kaiser Permanente Medical Center, San Francisco	3/06-Present
--	--------------

Medical Director Regional Immunohistochemistry Laboratory Kaiser Permanente Medical Center, San Francisco	4/03-Present
---	--------------

Director of Quality Assurance Department of Pathology Kaiser Permanente Medical Center	8/02-12/05
--	------------

Staff Pathologist Kaiser Permanente Medical Center, Regional Immunohistochemistry Laboratory	7/01-Present
--	--------------

<i>Locum Tenens</i> , Surgical Pathology Kaiser Permanente Medical Center, Regional Immunohistochemistry Laboratory	2001 January
---	-----------------

<i>Locum Tenens</i> , Surgical Pathology Community Medical Centers, Fresno, CA	2000 August
---	----------------

<i>Locum Tenens</i> , Surgical Pathology Sequoia Hospital, Redwood City, CA	1999 July-August
--	---------------------

## **Medical Center Activities**

Member, Kaiser San Francisco Physician Wellness Committee	2004-Present
Member, Kaiser San Francisco Bicycle and Alternative Transportation Work Group	2004-Present
Musician, “The Microbes”, Infection Control Hand-Washing Promotion	2004
Author/Contributor, Pathology Quiz Case “Intestinal Spirochetosis”, Kaiser San Francisco CME Newsletter	2002

**Volunteer Activities**

Pathologist, Regional Cancer Foundation 2 <sup>nd</sup> Opinion Tumor Board	2004-Present
---	--------------

**Academic Activities**

Founder/Director, University of Minnesota Combined M.D./Ph.D. Program Student Sponsored Lecture Series	1990-1994
Elected Representative to University of Minnesota Combined M.D./Ph.D. Program Steering Committee	1989-1990

**Honors and Academic Achievements**

American Red Cross Transfusion Sciences Research Award	1994
J. Jacob Kaplan Award for Diagnosis and Treatment of Cancer	1994

**Professional Organizations**

College of American Pathologists (Member IHC Committee) United States and Canadian Academy of Pathology	2009
--	------
